Great Lakes Urgent Care offers medical care solutions

When you require medical attention for minor conditions or your primary care physician isn't available, visit Great Lakes Urgent Care, conveniently located at 25660 Dixie Highway, Perrysburg.

The Urgent Care is owned and operated by Kyle and Ann Prueter and is part of the Great Lakes family of services that include Home Care, Medical Staffing, Drug Testing and DNA Testing.

Urgent Care offers a convenient solution for patients with minor acute injuries and illnesses, and is appropriate for sprains and strains, possible fractures, minor lacerations and burns, severe flu symptoms, sore throats, earaches, skin irritations and fevers.

Patients with severe injuries or illnesses will be directed to an emergency department. Sport physicals and Workers Compensation claims are also accepted.
